FOCUS ON CHABLIS

Chablis tends to be forgotten alongside its more voluptuous Burgundian neighbours but it's one of the most versatile and food-friendly whites out there ranging from pure, fine-toned and racy young wines to the sumptuous richness of a grand cru.

Remind yourself with a glass of the pure, thrilling E&E Vocoret, 'Bas de Chapelot' 2016 which comes from a vineyard just beneath premier cru Montée de Tonnerre, a mature bottle of old vine Chablis from Daniel Defaix - one of the oldest domaines in the region - or treat yourself to a 2014 Vaudésir Chablis Grand Cru from Domaine Garnier.

FOCUS ON GRENACHE

How often do you consciously pick a grenache off a wine list? Not that often we're guessing though you probably often drink them - on their own or in a blend like the famous Chateauneuf du Pape (splash out on our glorious Clos des Papes).

In fact it's the unsung hero of many big beefy southern French and Spanish reds - and popular Down Under too where it also produces exuberant juicy wines like Steve Pannell's 'Basso' garnacha (in the Pinot & Friends section) Oh, and there's sweet grenache too - try the wickedly delicious party Rasteau.
